

Real Connections. Real Confidence. Real Opportunity.

Not Everyone is Ready for **What Comes Next.**

The LaunchPad is a real-world career readiness experience designed to help young adults build confidence, connections, and life skills beyond the classroom.

THE PROBLEM

THE WORKFORCE GAP IS REAL

Too many young adults today:

- Feel unsure about their next step
- Lack confidence and direction
- Struggle to apply what they've learned
- Aren't prepared for real-world expectations

THE SOLUTION

The Launch Pad is a structured, real-world readiness program for ages 18–24 focused on:

Confidence & Communication

Career Direction & Decision-Making

Real-World Skills
(Not Academics)

Guided Mentorship & Exposure

Built for Young Adults at a Crossroads

- Gap year or gap semester students
- Recent graduates that are about to enter the workforce
- Students in or leaving college
- Associate Program students who feel stuck or unsure of their next steps

A 5-7 YEAR HEADSTART

Step beyond typical career readiness programs into a curated environment where ambitious young adults gain direct exposure to accomplished business leaders, mentors, and a network of high-performing peers.
